If the Reader will pleaſe to examine this Liſt, and allow every Regiment to be full, as they muſt be at opening the Campaigne, upon pain of breaking; each Regiment of Foot, Officers and all, will be 800, and each Regiment of Horſe 300: It will be found that the Forces at preſent in *Ireland* are 35000 and upwards: Enough to reduce that Kingdom, without other help than Horſes and Carriages for Proviſions. The General is gone to view the Artillery and Shipping at *Belfaſt*. I am

Your humble Servant, W. F.

LICENSED, *April* 12. 1690. J. F.
